Use your skill and rugby knowledge to predict the answers to the following three questions, all of which relate to all league & cup matches for the 09/10 season!

- Q1:** How many tries will the Chiefs score (incl. penalty tries) ?
- Q2:** How many different players will score tries (excl. penalty tries)?
- Q3:** How many **POINTS** will the Chiefs amass from conversions, penalties and drop goals?

The winners will be those who are closest over all three questions, as determined by the Friends of Exeter Rugby Club.

- A few simple rules:**
1. Any one can take up the sponsorship at anytime during the season but only on the proviso that they sponsor **ALL** of the tries for the season.
 2. Whilst the sponsorship is open for the whole season, entry in to the competition for the prizes will close on 31st October 2009.
 3. Only Try Sponsors can enter the competition for the prizes.
