

EXETER CHIEFS

Performance Analysis, Work Placement

Role: The primary role will be to integrate themselves into multiple elite performance environments including the Men's, Women and academy systems. They will be capturing training and matches as well as creating and manipulating data and statistics.

Work placement: 2 positions available

We are searching for 2 Performance Analyst Placement students to work with our Men's senior side and our Women's side with additional opportunities with our academy teams included.

The primary role will be to capture footage of home Men's matches at Sandy Park, but there will also be opportunity to come in to help capture and analyse training sessions on occasions where it fits around University schedules.

You will be using performance analysis software to generate video and statistical feedback and you will be able to see the work being used in the coaching process to improve performance.

This role is a great opportunity for someone in full-time university education to supplement their learning with Elite level sporting experience.

Availability:

The required availability will be weekends (games are on either Saturday or Sunday).

This will be supplemented with 1-2 days a week at the club for training sessions (3-4 hours).

Please send all applications including a covering letter and CV to matttribble@exeterchiefs.co.uk
